TOP THREE

industry certifications earned by students in CTE Career Pathways within the **Information Technology** Career Cluster.

5,265 Ex. Comp. Science

1,410 Digital Media 1A

1,230 Digital Media 1B

Industry-based certifications are awarded through validation of skills in cooperation with a business, trade association, or other industry group.

Student Success

“To reach my goal of becoming a graphic designer and animator, I will need to gain both an education and extensive experience. I have begun my experience and education by taking multiple CTE classes while still in high school, that will prepare me for the fields of graphic design and animation. The CTE classes have given me the preparation and foundation for college that I will need to stay one step ahead in order to succeed.”

Lauren Yancey

7,870

students are members of a Career and Technical Student Organization (CTSO) aligned with the **Information Technology** Career Cluster. Students who participate in the related CTE Career Pathways have the opportunity to join the Career and Technical Student Organization (CTSO) of **FBLA, SkillsUSA or TSA**.
