<p><b>Student Testimonial</b></p> <p>"My personal goal is to become a homicide detective. For my occupation I would have to work my way up through the ranks, I am prepared and would love the opportunity. I took a medical forensics class and a bio-technology class; both classes helped me immensely on what to do at a crime scene and how to process evidence. I learned a lot and could definitely use these skills in the career that I want to pursue."</p> <p style="text-align: right; font-size: small;">Micayla Poulsen</p>	<h3 style="margin: 0;">HIGH SCHOOL TO POSTSECONDARY EDUCATION AND TRAINING</h3> <p style="margin: 0;">There are a number of options for education and training beyond high school, depending on your career goals.</p> <table border="1" style="width: 100%; border-collapse: collapse; margin: 10px 0;"> <thead> <tr> <th style="background-color: #008080; color: white; text-align: center;">12th Grade</th> <th style="background-color: #ff8c00; color: white; text-align: center;">1-Year Certificate</th> <th style="background-color: #90ee90; color: white; text-align: center;">2-Year Associate or Technical Degree</th> <th style="background-color: #ffd700; color: white; text-align: center;">4-Year Bachelor's Degree</th> <th style="background-color: #a9a9a9; color: white; text-align: center;">More Graduate or Prof. Degree</th> </tr> </thead> <tbody> <tr> <td colspan="2" style="padding: 5px;">                     Certificates are awarded upon the successful completion of a brief course of study, usually one year or less.
