

Attendance and Tardy Policy

At Providence Hall Charter School (PHCS) we have a strong commitment to a quality education, therefore we are concerned when a student misses school for any reason. The process of education requires a continuity of instruction, class participation, learning experience and study. Frequent absences of students from day-to-day classroom experiences disrupt the educational and instructional process.

Utah Compulsory Attendance Laws (Code 53A-11-101-105) requires that every school age child (6-18) be enrolled in school and attend regularly. Parents/guardians and students are responsible for regular and punctual attendance of all their classes. The purpose of this policy is to help students identify and resolve problems with being present and on time.

I. EXCUSED ABSENCES

- A. A note or phone call explaining a student's absence is required of each day a student misses school to excuse a student's absences.
- B. Individual school administration may excuse a student from school for a reason identified by the school such as:
 - 1. Medical appointments
 - 2. Family emergencies
 - 3. Death of a family member or close friend

 - 5. Personal illness
 - 6. Any other legitimate school approved reason

II. UNEXCUSED/TRUANT ABSENCES

Along with the attendance school make-up requirements for absences, truanties maintain their own specific consequences following HB 207 guidelines.

III. ADMINISTRATIVE PENALTIES

- A. Administrative Fee
 - 1. A student who is issued a truancy citation shall be assessed a fee of \$25.00 (twenty-five dollars).
- B. All fees must be paid within two weeks of the end of the term in which the truancy occurred.
- C. If a student is unable to pay the administrative fee imposed under this section, the Business Manager will discuss other options available to the student in lieu of paying the administrative fee.
- D. Truancy fees are not subject to fee waiver.
- E. In the event that a student fails to pay the administrative fee or successfully complete any penalty imposed in lieu of such administrative fee, the school administration may impose any or all of the following:

1. Prohibit participation in extracurricular activities.
2. Prohibit attendance at extracurricular activities.
3. Prohibit participation in the graduation ceremony.
4. Withhold credit.

VI. APPEALS PROCEDURE

- A. Any student who has received a truancy citation or an unexcused absence has the right to appeal the truancy citation or unexcused absence to a Performance Review Committee appointed by the school administration.
 1. Such appeal must be filed with the school administration, in writing, signed by both the parent/guardian and student, within 10 days of receiving the truancy citation or unexcused absence.
- B. The Performance Review Committee will consist of at least
 1. one administrator,
 2. one counselor, and
 3. a teacher.
- C. At the hearing before the Review Committee the student
 1. may be represented by a person of his/her choosing and
 2. shall be entitled to produce witnesses, ask questions, and
